

The St Cloud Amateur Radio Club Explorer Post will be hosting an Open House. We would like to invite youths ages 14-20 that have an interest in communications. Come join us and help build an electronic circuit board. This circuit will be used to send emails over radio waves. Come watch it happen and learn more about Post 73!

We are looking forward to meeting you on

**October 13<sup>th</sup> 7:00-8:00PM**

**401 4<sup>th</sup> Street North  
Waite Park, MN 56387**
